CAREER OBJECTIVE

A disciplined and highly motivated MCA student from GGSIPU with a strong interest in Artificial Intelligence and a solid foundation in Computer Applications. I am a resilient problem-solver who values feedback and views technical challenges as learning opportunities. Eager to bring a dedicated work ethic, foundational Java skills, and a collaborative mindset to a growth-oriented organization as a Fresher.

EDUCATION

MCA: Ongoing | GGSIPU
BCA: Completed in 2024 | GGSIPU
Class XII: CBSE | Passed in 2021
Class X: CBSE | Passed in 2019

TECHNICAL SKILLS

Programming: Java basics, programming logic, and fundamentals.
Tools: MS Office, VS Code.
Learning Focus: Problem solving through practice and correction.
Communication: Clear, respectful, and simple communication.
Video Editing: Basic video editing for social media content.

STRENGTHS

- Fast learner who improves quickly after feedback and mistakes.
- Comfortable working in a team and following shared goals.
- Disciplined, reliable, and focused on consistent self-improvement.

EXTRA-CURRICULAR ACTIVITIES

- Sports and fitness oriented lifestyle.
- Interested in learning new technologies and improving daily.
- Looking for a first opportunity to grow and contribute.
